message from the President

There is no better feeling than serving the communities that we live in and love! This summer we are excited to sponsor and partner with other local businesses to bring you some fun community events. We hope you enjoyed your Northern Maine Fair Day Passes last month! Aroostook Savings & Loan was once again a proud Opening Day Sponsor for the **165th Northern Maine Fair** on June 28th. Up next is some exciting **Pro All Star Series racing action at Spud Speedway to benefit Feed The County on Sunday, August 4th at 2pm.** Then be sure to save this date- **Saturday, August 31st** and bring your family and friends to enjoy a special day-long fundraising event at **Goughan's Berry Farm in Caribou to benefit Feed The County.** Family fun on the farm includes 18-Hole Mini Golf, Corn Maze, Animal Barn, a BBQ Luncheon with Goughan's Famous Homemade Ice Cream and more.

Lastly, we will also be at the **annual Labor Day Caribou Viking Run held at the Caribou High School track.** Registration starts at 8 a.m. and runners from age 2 through the eighth grade are encouraged to attend. Free t-shirts will be awarded to all the young athletes who take part.

Please join us in the fun at these upcoming community events. Hope to see you there!

Sincerely,

John S. Swanberg,
President/CEO

8 Tips to Help Protect Your Identity

Identity theft happens. It's an unfortunate fact of modern life. But there are certain steps you can take to help keep your personal information from falling into the wrong hands.

Tip #1: Read your credit card and bank statements carefully and often.

Tip #2: Know Your Payment Due Dates. If a bill doesn't show up when you expect it, look into it.

Tip #3: Read the statements from your health insurance plan. Make sure the claims paid match the care you got.

Tip #4: Shred all documents with personal and financial information before recycling or throwing away.

Tip #5: Review each of your three credit reports at least once a year. Visit annualcreditreport.com to get your free reports. Federal law requires each of the three nationwide consumer credit reporting companies – Equifax, Experian and TransUnion – to give you one free credit report every 12 months if you request it.

Tip #6: Limit unwanted calls. You can place your cell or landline phone number on the National Do Not Call Registry by calling 1-888-382-1222 or register online at www.donotcall.gov, you will have to respond to a confirmation email. The Do Not Call Registry prohibits sales calls. You still may receive political calls, charitable calls, debt collection calls, informational calls, and telephone survey calls.

Tip #7: Cut down on the number of unsolicited mailings, calls, and emails you receive for prescreened offers of credit and insurance. Tired of having your mailbox crammed with unsolicited mail, including preapproved credit card applications? Fuming that your email inbox is chock-full of unsolicited advertising? To opt-out call 1-888-567-8688 or visit www.optoutprescreen.com. The phone number and website are operated by the major consumer reporting companies.

Tip #8: Hang up and report illegal sales calls.

If you answer the phone and hear a recorded sales pitch, hang up and report it to the FTC. These calls are illegal, and often the products are bogus. Don't press 1 to speak to a person or to be taken off the list. That could lead to more calls. If someone calls asking for money or personal information, hang up. If you think the caller might be telling the truth, call back to a number you know is genuine.
